Certificate Id: EUCC-3135-2026-0002

Validity: 5 years from the signing date

is through decision

2026-08-20

certified in accordance with the provisions of the Implementing Regulation (EU) 2024/482, EUCC

Peter Döös

Unit Manager Security Review

The IT product identified in this certificate has been evaluated by an accredited IT security evaluation facility accredited under the EU Commission Implementing Regulation (EU) 2024/482 of 31 January 2024 using the Common Methodology for IT Security Evaluation, version CEM:2022, for conformance to the Common Criteria for IT Security Evaluation, version CC:2022. This certificate applies only to the specific version and release of the product in its evaluated configuration and in conjunction with the complete certificate report. The evaluation has been conducted in accordance with the provisions of the EU Commission Implementing Regulation (EU) 2024/482, EUCC, and the conclusions of the evaluation facility in the evaluation technical report are consistent with the evidence adduced. This certificate is not an endorsement of the IT product by Combitech or any other organization that recognizes or gives effect to this certificate, is either expressed or implied. The certificate is valid for a maximum of five years but can be changed over time. For information regarding the current status of the certificate, please contact Combitech Ljungadalsgatan 2B, Växjö, www.combitech.com/certificationcenter.
